Grad Cap & Gown Photos – One Last Chance

If you missed the first two opportunities to get your Grad Cap and Gown photos done, you can book a session now **for December 9!** Grad Sessions will take place at the school in the Grand Hall one last time. While you get to keep or order more of your professional photos, an image of you wearing the grad gown is needed for the yearbook and the graduate class composite that will hang in the HWSS hallways forever encapsulating the Class of 2022. So don't miss out on this final opportunity!

For more information on the sessions please visit this link: www.gradsbc.com/school/htw

Additional info on what to expect and how to prepare for your photo shoot

The cap and gown students will wear for their photo is provided by GradsBC during, and only for, their scheduled photo shoot – they put it on over top of their clothes, then give it back to the photographer once those photos are completed. Purchase of the cap and gown students wear on commencement day is included in the commencement fees payable through CASH ONLINE on our school site. Sizing information will be gathered in February and distribution of the caps and gowns will occur at school a week or two before the event actually takes place on June 18.

➤ *Fashion Photos + Video Interview AND Buddy Sessions*

➤ For this piece, students should plan to dress nicely but not necessarily in the outfit they've planned to wear on commencement day – though they can if they like. GradsBC has created a video found on their website that thoroughly explains and shows how students can prepare for these sessions. Please click on this link [Heritage Woods Secondary | Grads BC Photography and Video](#) and scroll down to a short video clip titled *HOW TO PREPARE*.
