FLEXpectations

FLEX is instructional time, not a break!

- **Go to one of your four classes**
- **No cell phone use**
- **Only Grade 12S in the Grand Hall**
- **Library is for quiet work only**
- **Where you start is where you finish,
no moving from class to class**

No homework?
Read, Study, Review

Fragrance Free

Reminder to all that SD43 is Scent Aware, and as such the district is asking for cooperation towards a scent reduced environment.

All staff, students and visitors are strongly encouraged to avoid or reduce the use of fragranced products, and to replace them with unscented alternatives.

CAREER CENTER

SFU Applied Sciences Tech Tours

- **WOMEN IN TECHNOLOGY: ELECTRONIC ARTS (EA) TOUR**
- **OCTOBER 25 | 9:15 AM – 2:00 PM**
- Take a tour of Electronic Arts (EA), long considered one of the top organizations in digital interactive entertainment and explore some of your possible career options in applied sciences. This is followed by a lunch, presentation by the Faculty, and networking opportunities with faculty and students who can share their personal experiences as women in the industry. This event is designed for self-identifying female students with a strong interest in science, math and technology, as it provides hands-on insight into the impact you can make in real-world work environments.
- **POWERTECH LABS TOUR**
- **OCTOBER 25 | 8:15 AM – 1:00 PM**
- Explore careers in engineering and applied sciences at SFU with a tour of PowerTech Labs, a subsidiary of BC Hydro, where you'll see sustainable technology at work. This is followed by a lunch, presentation by the Faculty, showcase of engineering projects from current students and alumni, and networking opportunities with faculty and students. This event is ideal for those who are passionate about technology and its problem-solving applications and are eager to learn how innovation impacts our society and the environment.
