Atlas Particle Physics Masterclass at TRIUMF and SFU

The International ATLAS Masterclass returns to BC, **Saturday April 26th, from 9am until 2pm.**

Registration is now open for **grade 11 and 12 students**, however, all students with an interest in particle physics are welcome to attend. This full day of onsite events will be available to students on the mainland at both Simon Fraser University and TRIUMF, with [Okanagan College](#) and [University of Victoria](#) holding joint events.

During the day, every student will have the opportunity to:

- **Learn** about research topics and methods that are fundamental to particle physics
- **Analyze** measurements on real data from the ATLAS experiment
- **Network** with other high school students and researchers from University of Victoria, Lawrence Berkeley National Laboratory, and Okanagan College to discuss results

For TRIUMF and SFU area attendees, seating is limited to the 50 students in total on a first-come basis. Registration will remain open until April 18th to account for changes to attendance and waitlists. Communications to all registered students and parents will be held through this email address.
