International Education Program Summer School 2025 Volunteer Positions

School District No. 43 (Coquitlam)'s International Education Program is seeking volunteers for its Summer School Programs from 8:30am-12:00pm, July 7 – August 8, 2025. International students participate in English as a Second Language classes in the morning and may also participate in afternoon cultural activities. Alternately, international students may enroll in credit courses and be working toward graduation requirements instead. Both summer school programs run at Pinetree Secondary School.

Volunteers are an important component of the International Education Program's Summer School. We have a number of different opportunities for volunteers to work with students. The volunteer hours may be used towards graduation, if you have completed grade 9. A letter can be provided to you at the end, at your request.

Requirements:

The successful candidate would ideally:

- take initiative and approach students they don't know
- possess good leadership, organizational and interpersonal skills
- be proficient with the English language
- have experience with a second language
- be reliable and trustworthy

<u>Note:</u> first aid certification, experience working with international students, and knowledge of Mandarin, Spanish or Korean are assets. Students outside of the aforementioned criteria will also be considered.

TO APPLY:

1. Submit your resume to achapell@sd43.bc.ca or drop off in person at 1080 Winslow Ave,

International Education Office c/o Adrienne Chapell

- a. Students who volunteered in Summer 2024 do not need to submit a resume
- 2. Complete the MS Form which can be accessed through this QR code:

Deadline to apply is June 13, 2025.

You will only be considered if both the resume and MS Form have been submitted by the deadline.

Successful candidates will be contacted in late June; please ensure you check your email regularly.

Atlas Particle Physics Masterclass at TRIUMF and SFU

The International ATLAS Masterclass returns to BC, **Saturday April 26th**, **from 9am until 2pm**.

Registration is now open for **grade 11 and 12 students**, however, all students with an interest in particle physics are welcome to attend. This full day of onsite events will be available to students on the mainland at both Simon Fraser University and TRIUMF, with Okanagan College and University of Victoria holding joint events.

During the day, every student will have the opportunity to:

- Learn about research topics and methods that are fundamental to particle physics
- Analyze measurements on real data from the ATLAS experiment
- Network with other high school students and researchers from University of Victoria, Lawrence Berkeley National Laboratory, and Okanagan College to discuss results

For TRIUMF and SFU area attendees, seating is limited to the 50 students in total on a first-come basis. Registration will remain open until April 18th to account for changes to attendance and waitlists. Communications to all registered students and parents will be held through this email address.
