Summer Volunteer Opportunity with SD43

The Coquitlam School District's Summer Learning program is pleased to once again offer a volunteer opportunity for our secondary students. Last year we placed over forty students into SD 43 Summer Learning classrooms, a valuable experience for students and teachers!

Successful volunteers will be placed in local elementary or middle classrooms and earn necessary volunteer hours as well as a letter of reference from their sponsor teacher.

Spots are limited so submit a completed application early.

The application form can be found on the Summer Learning Website.
