## Port Moody Elementary Gets a New Logo!

Moody Elementary School has a new logo that was designed by Elder Johnny Henderson, Nakwaxda'xw Nation, and digitalized by Amanda Field.

Moody Elementary "students researched and voted on being the "Moody Orcas" last year and Johnny designed many beautiful orcas for us to choose from. We call ourselves the "Moody Orca family" and it has brought us together proudly! Johnny will return to work with us on June 9 as he has an idea to carve an Orca for outside our new building" Sheila Rawnsley, Principal

# CHAMP Sustainability Mentorship Program

Calling All Future Sustainability Leaders! 🌱

Metro Vancouver's CHAMP 2025: High School Action & Mentorship Program is now accepting applications! Open to students entering grades 10 – 12 in September 2025, this program offers an incredible opportunity to build leadership skills, connect with like-minded peers and mentors, and take meaningful climate action in your school and community.

Program highlights include:

- 🌲 Four-day camp at Loon Lake Lodge (August 17 – 20) to kick off the program with team-building, leadership skills, and sustainability learning
- 🤝 Fall sessions on topics like zero waste, water conservation, and collaborative action
- 💡 Hands-on action projects with support from mentors and community leaders
- 🎓 Perks for participants: volunteer service hours, a certificate of participation, and a reference letter

Apply by May 30, 2025, and be part of the next generation of changemakers! 🌍 Find out more at [metrovancover.org](https://metrovancover.org) (search “youth events”) and on Instagram [@youth4action](https://www.instagram.com/youth4action).

# Trades Sampler Summer Camp

The Faculty of Trades and Technology at Kwantlen Polytechnic University is proud to present a unique experience for youth aged 10 to 14. We are launching the first Trades Summer Camp to introduce young people to four trades. The program will focus on introducing youth to the Automotive, Electrical, Plumbing, and Millwright/Industrial Mechanic programs.

Students will be introduced to basic concepts, learn safe use of basic tools, and work on hands-on projects. The Trades Summer Camp will run on the week of June 30th (June 30th, July 2nd, July 3rd, and July 4th) on the KPU Tech campus in Cloverdale from 8:30 am to 3:00 pm.

The projects chosen will focus on sustainability, indigenization, and the local environment. Our instructors will work with up to 16 students to ensure that they learn new skills and develop an understanding of the practical world around us.

Topics covered will include safety, measurements and trades mathematics, basic tool use, the internal combustion engine, introduction to the automobile, introduction to electricity and wiring, water pressure and flow dynamics, and problem-solving in complex mechanical systems.

**This course is \$400 only and no GST will be charged.**
