SFU Beedie on Campus information session

- **This event will include:**

- A sample lecture led by a SFU Beedie faculty member
- An introductory case competition offering students the chance to collaborate and demonstrate their critical thinking skills
- A student panel to learn about current students' journeys
- Optional campus tours guided by our current students
- Complimentary lunch, where students can connect with peers and our recruitment team

- **Through these experiences, students will:**

- Gain inspiration about the diverse career paths a business degree can unlock
- Explore how SFU Beedie combines academic excellence with experiential learning opportunities
- Connect with like-minded peers across the Lower Mainland and current SFU Beedie students
- Build direct connections with our recruiters, who will support them throughout the application process
- *Could use this experience on their Supplemental Application*

- **Event Details:**

- **Date:** Friday, October 24th (BC-wide Pro-D Day)
- **Time:** 9:00am – 3:00pm (optional campus tours from 3:00pm – 4:00pm)
- **Location:** SFU Burnaby Campus
- **Registration Link:** <https://www.eventbrite.com/e/discover-sfu-beedie-tickets-1373656426349>
- Registration for this event is open now and closes on **September 28th**. Seats are limited: 80 students will be selected to attend. Students will be required to fill out a registration form outlining their academic and extracurricular achievements.

Student on campus Pro-D day event at SFU

- **Discover programs in SFU's Faculty of Environment**
- **Environmental Science:** Solving the climate crisis: Get the tea on the impacts of fossil fuels and how we can reduce carbon emissions
- **Physical Geography:** Earthquake myths and reality — what does geoscience really say about the earthquake threat in Vancouver?
- **Geographic Information Science:** From hoverboarding on Mars, to lasers of the lost art: adventures of an applied GIScientist
- **Resource and Environmental Management:** Wildfire: the good, the bad and the ugly
- **Resource and Environmental Management (Planning Program):** Creating sustainable communities: Think like a city planner
- **Archaeology :** Secrets of the dead: Solve a mystery like a forensic anthropologist
- **Human Geography:** The secret life of the anchovy, the most important fish in the world?
- **Urban Worlds (urban geography):** Dynamic places and urban spaces: See how cities change through the eyes of a geographer
- **Register now to reserve your seat!**
- <https://www.sfu.ca/fenv/students/prospective-students/undergraduate/discovery-day.html>

SFU FACULTY OF ENVIRONMENT

SFU ENVIRONMENT DISCOVERY DAY

Join SFU professors and students for a free, fun and informative day of hands-on mini lectures and lab activities

Date: October 24th
Time: 9:30AM – 2:15PM
Where: SFU Burnaby Campus

UBC Engineering events for high school students

- We're inviting you to a series of upcoming virtual events. These are a great opportunity to learn what it would be like to study engineering at UBC and be part of one of the top engineering programs in Canada and the world.
- Our student recruitment staff will share information on:
 - What engineering is all about
 - What makes UBC Engineering stand out
 - The kinds of engineering students can study at UBC (spoiler alert: we offer more programs than almost any other university in Canada!)
 - Opportunities to gain experience through co-op, international exchanges, student design teams and more
- <https://engineering.ubc.ca/event/2025/ubc-engineering-everything-you-need-to-know?>
