YEARBOOK NAMES

**DEADLINE
IS
NOVEMBER
14**

- Every year, the photo company sends us a list of names with the school-day portraits. Sometimes errors appear (misspellings, missing given names, etc.). We need students to confirm their names before the yearbook goes to print.
- Have your child check to see if their name is spelled correctly on the papers taped to the office doors.
- If your name is correct → no action needed.
- **If you want changes** (spelling, given name, error) → fill out the Yearbook Name Correction Form by Nov 14.
- **If your name is missing** → your portrait was not provided and will not be in the yearbook.
- Not for grad photos. Grade 12s must check spelling though – this is how your name will be printed.
- **Use your school email to submit the form.**

Diwali, or Dipawali, is India's biggest and most important holiday of the year. The festival gets its name from the row (*avali*) of clay lamps (*deepa*) that Indians light outside their homes to symbolize the inner light that protects from spiritual darkness.

Hindus interpret the Diwali story based upon where they live. Over the centuries, Diwali has become a national festival that's also enjoyed by non-Hindu communities. But there's one common theme no matter where people celebrate: the victory of good over evil.
