- Every year, the photo company sends us a list of names with the school-day portraits. Sometimes errors appear (misspellings, missing given names, etc.). We need students to confirm their names before the yearbook goes to print.
- Have your child check to see if their name is spelled correctly on the papers taped to the office doors.
- If your name is correct → no action needed.
- **If you want changes** (spelling, given name, error) → fill out the Yearbook Name Correction Form by Nov 14.
- **If your name is missing** → your portrait was not provided and will not be in the yearbook.
- Not for grad photos. Grade 12s must check spelling though – this is how your name will be printed.
- **Use your school email to submit the form.**
