# COMMUNITY

# UBC Black Futures

---

- The Black Futures program is a unique opportunity for Gr. 11 and 12 Black students from across Greater Vancouver to be introduced to post-secondary options and discussions about higher education.
- Last year’s program was hugely successful, and we anticipate that this year will be too. With a slogan of “if you can see it, you can be it”, it allows students to envision their academic future. **Students DO NOT need to be planning on attending UBC to be a part of this program.**
- The program consists of four in-person meetings at UBC. High school students will meet with UBC students, as well as a variety of faculty and other professionals. There is no cost for students to attend. Transportation to and from UBC will be provided and students will be chaperoned by SD43 teachers.
- If you are interested, please see Ms. Butler by **December 18<sup>th</sup>**, to add your name to the list—there are only 10 spots available, so don’t wait!
