CLUBS

Eastern Philosophy Culture Club

The Eastern Philosophy Culture Club is a community for students interested in philosophy, history, and culture. We explore the wisdom of great Eastern traditions such as Confucianism, Daoism, Buddhism. Through discussions, readings, and cultural activities, we discover how these ancient ideas still influence the modern world.

WORD OF THE WEEK

Neopronouns

Neopronouns are third person pronouns beyond he/she/they. These are generally used by transgender/non-binary/gender-nonconforming people, who find neopronouns are a more honest way to express themselves. There are many commonly used neopronouns, such as ze/hir, xe/xem, ey/em, ne/nem, ve/ver. One can also make their own neopronouns if it feels right to them. Neopronouns can be used in place of she/he/they, and using them consistently just takes practice.
