HWSS Pride Club's
WORD OF THE WEEK

Gay

Identifying as gay can mean that a person is **attracted to people of the same gender**. Being gay generally means that it is a man being attracted to men. The term **“gay”** can also be used as a very general term, or used as an umbrella **term**, to describe being in the **LGBTQIA2s+** community.

Emily Carr University of Art + Design (ECU), in partnership with Surrey Schools, the Vancouver School Board, and School District No. 43 (Coquitlam), is proud to support the next generation of artists and designers as they begin their journey to post-secondary education. Through the Head Start in Art dual credit pathway, selected high school students have the opportunity to take a first-year university course at ECU. While still in high school, students can earn both university credit toward an undergraduate degree and high school credit toward graduation, gaining early exposure to the creative learning environment at ECU.

WHO IS THIS PROGRAM FOR?

The Head Start in Art program is for students who:

- Are currently in grade 11 or 12 or are recent graduates from the secondary schools in the following school districts: Surrey Schools, Coquitlam School District, Vancouver School Board
- Are considering post-secondary studies in visual art, media art or design.
- Want to get a jumpstart on their post-secondary education and earn **dual credit** before officially beginning undergraduate studies.

The course will particularly benefit students developing a portfolio for admission to post-secondary programs.

COURSE DETAILS

- Be introduced to the methods, materials, and concepts of drawing as a visual language and as a tool for enhancing perceptual awareness.
- Begin to acquire the skills to translate immediate observation and ideas into two-dimensional form while investigating processes and developing a critical vocabulary.
- Gain hands-on experience with in-class projects and assignments encompassing various aspects of drawing.
- Explore contemporary and historical art and design ideas through visual presentations and class discussions in a supportive, inclusive environment.

Space is limited.

ADMISSION REQUIREMENTS

As this is a **university-level course**, students must meet all the following ECU academic admission requirements:

- English 11 or 12 (minimum "C" grade)
- Two other grade 11 or 12 academic courses
- Two grade 11 or 12 electives (Visual Art 11 or 12 recommended)
- Overall grade point average of 2.5 ("C+" or 67%)

APPLICATIONS

- Consent form (signed)

Applicant materials must be submitted to the appropriate Career Department at each school district.
