

Robert Burns

(25 January 1759 - 21 July 1796)

- (also known as Robbie Burns, Rabbie Burns, Scotland's favourite son, the Ploughman Poet, Robden of Solway Firth, the Bard of Ayrshire and in Scotland as The Bard) was a Scottish poet and lyricist. He is widely regarded as the national poet of Scotland and is celebrated worldwide. He is the best known of the poets who have written in the Scots language, although much of his writing is also in English and a light Scots dialect, accessible to an audience beyond Scotland. He also wrote in standard English, and in these writings his political or civil commentary is often at its bluntest.
