

Heritage Woods Language Level Assessment 2020-2021

Contact appropriate teacher by May 2, 2020

Because of the ever-changing nature of language learners – programs at middle schools, in-home learning, prior knowledge, new to country, etc – we are encouraging qualified and motivated students to apply for the Language Level Assessment for appropriate placement in language courses for the 2020-2021 school year.

This is for any eligible *incoming or current student* and is for all HWSS offered language programs: **Spanish, French, Mandarin and Japanese.**

You are eligible if:

- You are a mature and motivated learner **and**
- You potentially have a skill set superior to an introductory level language course due to previous course work either through school or online **and/or**
- You have been/are in a home environment or community where you regularly **speak, read and write** in one of these languages

If you are interested in being assessed for a particular language course level:

1. Contact the teacher in charge of the language (below) and let them know you are interested in being assessed and you wish to set up a meeting time online
