

Heritage Woods Language Level Assessment

Friday, April 24, 8:30am

Because of the ever changing nature of language learners – programs at middle schools, in-home learning, prior knowledge, new to country, etc – we are having our annual Language Level Assessment for any eligible incoming or current student and opening it up to all offered programs: **Spanish, French, Mandarin and Japanese.**

If you want to take a language course at our school, and you potentially have a skill set superior to an introductory level language course, then you are requested to attend the Language Level Assessment to determine appropriate placement.

You are eligible if:

- you have taken previous course work either through school or online
- have been/are in a home environment where you regularly speak, read and write in one of these languages

The language assessments start at Heritage Woods Secondary at 8:30am in the following rooms:

Spanish – Room 207 with Ms. Garg

French – Room 201 with Mr. Durand

Japanese – Room 203 with Ms. Ohori

Mandarin – Room 244 with Ms. Lee

If you need assistance finding the room, please come to the main office and someone will direct you
