Spirit Wear

We are handing out Spirit Wear today for anyone who ordered. If you missed it, we will likely have another chance to order in the new year. If you ordered and your student does not come home with it today, tell them to ask at the office tomorrow.

Gleneagle Tutoring

Gleneagle's ConX leadership group is planning an event called Talons Tutoring, where we hope to bridge the education disparity by providing free tutoring support that is accessible for students in grades 4 to 9 while also providing high school students with volunteer hours.

Talons Tutoring is an opportunity for students to seek after school academic support from high school students in the following subjects: English, Science, Socials, Math, etc. We will offer a safe place for students attending elementary and middle schools in SD43 to gather and ask questions, along with completing assignments before going home.

Students are able to access tutors to stay on top of their courses without having to pay additional fees.

Please contact the Talons Tutoring Committee at 125-jcabahug@sd43.bc.ca, if you are interested in this opportunity or if you have any additional questions!

Thank you,

Talons Tutoring Committee
