[Track and Field](#) NEW

Congratulations to our track and field athletes who competed yesterday at Como Lake. Hillcrest had some amazing first, second and third place finishes. Way to go Highlanders! Keep up the great work at practices over the next three weeks.

[French Friends this  
Thursday](#)

Our French Friends will be here this Thursday. Some may be in your classes. Do you want to impress them with some newfound French? Well, why not try "Est ce que tu passes un bonheur?" Translation: are you having a good time? Est ce que tu passes un bonheur?

Have a good day! ☺
