Good Morning. I'm _____ and I'm _____ and these are the morning announcements.

[Grade 5 Transition Meeting](#)

Those students who have volunteered to be tour guides for the Grade 5 Parent Evening on Thursday, April 27th, are asked to meet with Ms. Dhaliwal at lunch today, April 10th in the Art Room.

[Odyssey of the Mind](#)

Our Odyssey of the Mind Team WON GOLD Saturday at the provincial championships!!

To quote Jennifer Timer (coach and parent here at Hillcrest): "It was close and we had some very tense moments but they pulled it off and succeeded - and the journey was the most amazing part - the problem-solving was impressive as they encountered a number of hiccups along the way. I think that teamwork and perseverance were the buzz words of the day!"

The team consisted of students from Mr. Wiskar's class: Talia, Amelie, Ruby, Tyson, Devon, Jason, and Veronika.

Now.... they go to WORLDS! Some of them anyway... the week of May 23rd.

Have a good day!
