Good Morning. I'm _____ and I'm _____ and these are the morning announcements.

[Bike to School Week!](#) NEW

Today is the last day of Bike to School Week! Don't forget to log your ride with Ms. Trieu and get a treat! Great job to everyone, especially the first timers! Isn't it easy? Isn't it fun? Plus, it just feels great to be on two wheels! Thank you to everyone who biked to school this week! And a huge pat on the back for those who biked everyday! Well done!

Have a good day!
