## Daily Announcements

Tuesday, April 17, 2018

Good Morning. I'm \_\_\_\_\_ and I'm \_\_\_\_\_ and these are the morning announcements.

### The Crew NEW

The Crew- That's anyone who has been involved or wants to be involved in Leadership, **running fun activities for the school**, needs to meet in the Home Ec room Thursday. Please come by 12:40 right after you eat your lunch. We have Ninja Survivor and all the remaining school events this year to plan.

### French Club NEW

Hey Highlanders! Only 3 more sleeps until our friends from Quebec are here! Students will be attending school on the morning of the 26th so be sure to give them a hearty bonjour and welcome them to the school. You will probably see them in the library most mornings as they head out with their tour guides to see our beautiful city. Fingers crossed for sunshine!

French club, there is a meeting today at lunch, please get here asap as we are going over the agenda for the week.

### Track and Field

Track and Field starts this week. Practices are on Tuesdays and Thursdays at lunch. Come to Mr. Ingelman's room 163 at 12:25 sharp ready to run, jump and throw.

**Have a good day!**
