Good Morning. I'm _____ and I'm _____ and these are the morning announcements.

Gr. 7 Boys Badminton Champions

Yesterday our four teams of Gr. 7 Boys Badminton players set out to participate in the district championships. The tournament rules stated that your team is out if you lose two games. For three of our boys teams Trevor & Brandon/ Kai & Kaeden/ Edmund & Kaloyan the challenge was daunting as they worked hard to win as many games as possible but eventually they fell to defeat. The one remaining team of Daniel Zhong and Robert Shi lost one game and with a never say die attitude persevered to win all of their remaining games. They were in the final and the rule stated that they had to win two games to challenge the undefeated team from Scott Creek. Daniel and Robert rose to the occasion with two convincing wins to crown themselves the district champions of Gr. 7 Boys Badminton. The trophy will be on display at the front office for the next week. Congrats to Daniel and Robert. Many thanks to Coach Warne for her gift of time in helping with our badminton club players.
