Are you a parent/caregiver with a son or daughter who has a developmental disability?  
Do you wonder about their future?  
Did you know that you are a key resource in supporting your son or daughter to pursue their dreams for employment?

This 2 part workshop series is for you!

Join us to learn more about the steps you can take  
Meet and share with other families who have similar dreams, concerns and questions!  
Guest speakers: sharing firsthand experience

---
