

Hillcrest

Daily Announcements

Monday, October 25, 2021

Good morning.

We will be back in 30 seconds with your morning announcements.

There will be NO **Volleyball** practices after school this week. Practices are set to resume in November. Intramurals will continue as scheduled during lunch.

Have you heard - our **Hillcrest Virtual Book Fair** is OPEN! You can find the link on our school's website. This is a limited time event - the Fair is open all day, but only until October 30th! Visit the Fair to see the amazing book offerings this year. Happy Reading!

Psst... Do you know that Hillcrest is hosting a **Halloween Carnival** to support our local Food Bank? Bring in cans or loonies for tickets to play games and win prizes. A team of Social Justice club members will be coming around to classrooms today to share details about this event with you. Let's do our part to help take care of others in our community.

Please assume THE **SOGI CLUB** is running every MONDAY at lunch, unless you hear otherwise, on the announcements. You have the choice to come and eat your lunch in the Outdoor Ed. room at 12:26, or join us after you eat with you class. Whichever you are more comfortable with, is fine.

The **Social Justice Club** will be meeting today and tomorrow at Lunch in the Art Room to schedule your shifts and finish off your game stations and decorations. See you with your lunch at 12:30pm.
