Good morning.

We will be back in 30 seconds with your morning announcements.

Here are your announcements:

Reminder that Hot Wheels club is cancelled today.

Yearbook Club is meeting today in the art room after the second lunch bell. We will be assigning pages and learning basic page composition skills.

Every Lunar New Year, there are some key traditions that are followed. Families clean their homes to wash away any bad luck of the past year and wear red to bring good luck to the new year. Some give red envelopes with gifts of money or candy. Long foods and circle foods are eaten to encourage a long and prosperous life. We are looking forward to celebrating the Year of the Tiger next Tuesday, February 1st.
