Daily Announcements

Friday, April 08, 2022

Good morning.

We'll be back in 30 seconds with your morning announcements.

Here are your announcements:

Hey Hillcrest, are you looking for a club that helps you improve your table tennis skills, meet new friends, and compete in tournaments? If so, join the **table tennis club**! Practices and games will be held in the MPR on Wednesdays at lunch. Our first meeting is next week. There will be limited spots available, so sign up quick! Sign up will be on a first come first serve basis. If you'd like to sign up head to Mr. Rusby's room outside in portable **123**. He will be available today and Monday at nutrition break for sign up.

All **intramural soccer** forms must be returned to Mr. Nay's room by the end of nutrition break today! Each team should only submit one sign up sheet and players can only belong to one team. Games will begin next week.
