Friday, September 16, 2022

Good morning.

We'll be back in 30 seconds with your morning announcements.

Here are your announcements:

Don't forget that the first meeting of the **D&D Club** will be on Tuesday just after lunch eating time in Mr. Holbrook's room. In D&D it's all fun and games until someone loses an eye. Then, it's a critical hit!

Minecraft Coding Club is starting next Wednesday Sept. 21st at 12:40 in the learning commons. In this club you will learn how to write simple and complex codes to help build mini games in the Minecraft universe. Bring your pickaxe and device and get ready to have a great time!

Have a _____ Friday!
