Daily Announcements

Wednesday, October 12, 2022

Congratulations to the **Grade 7 volleyball** team on their first win of the season yesterday. See you all tomorrow morning for practice!

Reminder to the **Grade 8 Girls Volleyball** team of your game after school today in our gym! See you all there! Spectators are welcome to come cheer us on!

Two announcements for the **Grade 8 Boys Volleyball** team in one week? Must be pretty important, and they are! Today is game day and there will be a short meeting in Mr. Perry's room, room 153, at nutrition break to discuss rides to Maillard.

Hello **Yearbook Club**! Today's meeting will be for students who are interested in being leaders, editors, and designers. If you are eager to be part of the planning and designing - and you are prepared to work at lunch and afterschool - then we look forward to seeing you today. If you are mostly interested in photography, training will begin next week. See you in the DMA room after the second bell.
