The Hillcrest **Wrestlers** had an outstanding showing at Districts last night. All matches were hard fought and our wrestlers really showed their improvement and grit. They represented the school with amazing sportsmanship and did us all proud.

Congratulations to all of our wrestlers. A huge shout out to 4th places finishers in their weight classes: Grayson Budnick, Carter Moulton and Lucia Franciosi. 3rd place wrestlers were Caleb Lee and Yuna Roh. Placing second by one little point was Will Bardsley. Kudos to our Hillcrest champions: Bardia Khoddami, Ellison Hong and Roman Zabjeck. Congratulations to all wrestlers on the great season. See you all Wednesday at lunch.

Want a quiet space to read? The **Library Learning Commons** will be open to all students to check out books today at Lunch after you eat.

What do you call a magician who's incredibly good with cooking?

A sauceror. (Insert raucous laughter here)

Drop by room 120 - that's Mr. Holbrok's room - after school today to smell what the **D&D Club** is cooking! It's game on...because those monsters won't fight themselves!

Reminder to Falcons who would like to compete in their Team MasterChef competition to attend an information meeting on Monday in Block A.
