Yearbook Graphic Designers & Editors

Join us **TODAY at lunch** for a fun and exciting meeting! If you're pumped about helping design and create our awesome yearbook this year, this is your moment!

We'll be diving into the different roles available (there's something for everyone!) and starting to get our creative game plan together. Don't miss out on being part of something epic! See you in the DMA room!

Photo Day

Monday is Individual and Class Photo Day! You will be called down by class to the MPR for your school photo. The photographers will give you a QR Code for you to take home so your parents can order the photos online.
