Swim Team

Congratulations to the Hillcrest swim team who represented our school with pride at the district swim meet last Friday! For total points, Hillcrest came in 4th out of a possible 13 schools. Our results included a first place finish with Tim, Jacob, Ian and Benjamin in the Boys Medley Relay. Our students showed great sportsmanship throughout the day cheering on their peers. If students would like to see the full results, please see Ms. Kyle or Mr. G. Way to go Hillcrest!
