Wrestling

A big thank you to Coach Garfield from BC Wrestling Association! By the end of today, he will have taught all classes a little about the best sport in the world! If you are interested in joining the Hillcrest wrestling team this year, please get a permission form from the MPR, signed forms can be handed in to the office, or to Ms. Chan or Mrs. Hampton. Practices will start in January and there will be a short info meeting in December. Thanks again coach Garfield, we really appreciated you sharing your expertise with us!

Grade 8 Girls Volleyball

Congratulations to our Grade 8 Girls teams who both did a great job representing Hillcrest at the A and B tournaments. To celebrate the end of our season, any grade 8 volleyball players are invited to the gym after school today for a casual practice until 3:30.

Door Decorating Contest

Does your classroom door look super boring and bland? Well, now you have the chance to show your artistic skill through a door decorating contest! Starting Monday December 2nd, your class will collaborate to put together a Christmas/winter themed door. You will have two weeks to finish it, and judging will start on the 16th of December. There are posters around the school for additional details. The top three doors will get extra points towards the next spirit assembly. So, Hillcrest, get ready to show some winter spirit through your classroom door!

Minecraft Club

We are excited to see group 2 for the build battle today in room 162. See you there!

Breakfast Team

The breakfast team will be meeting on Friday at lunch in room 113. If you are interested in joining the breakfast team, please come check it out. You can be a voice in deciding what food and activities are offered in the MPR from 8-8:30am.
