Get ready to turn up the fun-o-meter to max because **Spirit Week** is almost here! And we're kicking things off with a burst of colour on **Monday for Team Colour Day!**

It's time to show your true colours (literally) and represent your team! Dig out those vibrant shirts, socks, hats, and maybe even your wackiest accessories! We want to see a kaleidoscope of creativity flooding the halls—like a unicorn threw a party and everyone was invited!

Whether your team blue, green, red, or that mysteriously awesome shade of neon, let's show off those colours with pride! Hillcrest let's make it a colour explosion to remember! Let's see who can outshine the rainbow! Ready, set, go paint the school in your team colours on Monday!

Guess what? Next week is Valentine's week, and we're turning our announcements into a pop-up radio station! Get ready for a whole week of fun radio shows and contests over the intercom.

We're calling it "Valentine's Radio Ga-Ga Week." Ever heard of the song "Radio Ga-Ga" from the 80s? It's a love song to radios, which people thought were getting outdated. The song goes, "All we hear is radio ga ga, radio goo goo, radio blah blah." But it also says that even if some people think that, the band still loves radio.

So, next week, every time you hear "Radio Ga-Ga," replace the word "radio" with "school."

Sometimes people say, "Students these days aren't trying," or, "Teachers are ga ga," or, "Schools are blah blah." But we know they're wrong! I see students and teachers who are smart, kind, and so much fun. Just like the song says, someone still loves you and believes in you.

Let's have a blast during Valentine's week with our Radio Ga-Ga theme and remember how awesome our school is!
