

# DAILY ANNOUNCEMENTS

Wednesday, March 05, 2025

*Good morning. We will be back in 30 seconds with your morning announcements.*

**Chess Club** is cancelled today —consider it a tactical retreat, not a blunder! We'll be back next week, ready to strategize and outplay. Until then, keep your kings safe!

**Beautification Club** is BACK ON and in the Outdoor Ed room at lunch today. Come prepared to reconnect and share future visions and ideas to beautify our school.

Congratulations to all the **grade 6 basketball** players who displayed great cooperation skills and hard work throughout the entire tournament yesterday at Pinetree! Both teams won every game except for one! Way to go!
