

DAILY ANNOUNCEMENTS

Friday, March 07, 2025

Good morning. We will be back in 30 seconds with your morning announcements.

The Hillcrest wrestlers had an amazing championship yesterday to end the season. In fact, there were so many placers that this announcement will have to be in 2 parts – today and Monday to recognize all our amazing athletes. As a team Hillcrest placed third overall which is a huge accomplishment for our small team.

We say farewell to our grade 8's but they made it a celebration! We hope they all keep wrestling in high school. Dylan the Brave held his own against wrestlers who had been at it for three years. Torres the Consistent placed third as did Monica the Magnificent. Jacob the fierce and Caleb the relentless won in the finals in exciting fashion both bringing home the blue first place ribbons in their final middle school tourney. Congrats to all, you made Hillcrest proud. Stay tuned Monday for our other placers!
