Congratulations to our Grade 8 A Basketball Team for their outstanding game, securing DUBS in both of their games against Citadel and Como Lake! Last night's game was packed with highlights:

Robert dropped an incredible 10 points in just 4 minutes!

Gio sank two clutch three-pointers in a row!

Michael racked up 14 points in the second game and almost dunked on them

And the entire team made every single foul shot!

The boys are headed to the semi-finals today at 5 PM! Wish them luck!!!!

Grade 8 boys A TEAM short and simple practice in the gym at lunch. We will be going over our offensive plays for today. You do not have to change into basketball shoes. Meet at lunch in the gym!
