

# DAILY ANNOUNCEMENTS

Monday, May 05, 2025

*Good morning. We will be back in 30 seconds with your morning announcements.*

**Choir**, you have a rehearsal today at lunch. Please meet in the music room!

**Sewing Club** - Have you ever wanted to learn how to sew? Come to the Home Ec Room on Thursdays after school for the Sewing Club! Learn how to use a sewing machine, stitch with a needle and thread, and learn to make your own accessories and clothes!

Have you been wondering what the **Crest Cares** posters around Hillcrest are all about? Today is day 1 of the SLC Link and Lift Project. We are asking for your support by playing the Crest Cares class BINGO to bring in donations. You will earn points as your classroom completes the challenges. Along the way, you can listen to the announcements for BINGO Bonuses giving your class a chance to win treats throughout the next few weeks. The class with the most points will also win a pizza lunch. Keep listening to the announcements for more information.
