Good morning Hillcrest! If you missed today's **Cross Country** meeting, no worries! There will be another Cross Country information meeting tomorrow at nutrition break in the Outdoor Ed room. If you're interested in running, training, or just giving it a try, please come join us. See you there!

Have you ever crossed the **river ditch of doom** while heading to Mundy Forest and thought to yourself "this bridge could be better?!" Well then this announcement is for you! Ms. Litz is wondering if there are some students interested in attempting to re-build the river ditch of doom bridge. Meet in Ms. Litz's outdoor ed room today (Monday) after-school if you are interested and want to know more.
