

# DAILY ANNOUNCEMENTS

Monday, October 06, 2025

**Grade 8 Boys Volleyball** – there is a mandatory meeting today at lunch in Mr. Nay's room. Bring your signed permission forms.

**Grade 6 volleyball players** - we have practices every Monday and Wednesday at lunch. Please remember to bring your yellow permission forms!

**Grade 7 Girls Volleyball** important meeting in Ms. Kuba's room today at lunch!

**Flag Football Intramurals** -There are two flag football intramural games today.

The first game is: Goonettes vs Silver. The second game is: Pink Flamingos v White Rice Cookers  
Scores and standings can be found on the bulletin board going into the learning commons. An updated schedule will be posted this afternoon.

**Scary Story Contest** - Like scary stories? Like to write? Like to win prizes? Come to a meeting in the learning commons today at lunch to hear more about the contest. Also, look for posters around the school for details. The due date to enter is October 19. If you have questions or need help, see Ms. Quan for more details

**Ski & Snowboard Club 2026** - Come to the MPR Tuesday at lunch for a mandatory meeting. All grades are welcome.

Are you interested in joining the **District Student Leadership Council**? The SLC will help the community by taking on a school year project in an area that aligns with the district leadership focus. If you are interested in meeting with leaders from other schools in the district, enjoying pizza lunches at the district meetings, and taking on leadership projects at Hillcrest then come learn more about this group on Tuesday in the LLC at lunch.

**Assembly Helpers** - Are you a leader? Have you often watched the students up front at an assembly and thought "I could do that!" Ms. Kuba and Ms. Litz are looking for students interested in being a part of December's Hillcrest Highlights assembly. There will be a meeting this Friday October 10th in the home-ec room.

Do you love puzzles, patterns, and challenges? Join us at the **Rubiks cube club** where you can learn solving techniques for beginners and advanced cubers! Come to MS.KUBA'S room (Home Ec Room) at lunch on Wednesday's.

Attention all **bridge builders**! Our future build sessions will now be Wednesday's after-school due to a cross-country conflict. Check the club page on Microsoft teams for more details or to ask questions!
