Choir, you have a rehearsal today at lunch in the drama stage room!

Hi Hillcrest! Today is the first day of **12 days of giving**! Bring in your donations, collect points, and practice your parts of the song! We will be giving updated points throughout the 12 days!

Ms. Litz to come sing:

"On the first day of Giving, Hillcrest gave to me...a can of dry soup mix"

Jays, that's your lyric that you will be singing in our upcoming December Assembly.
