GRADE 8 BOYS BASKETBALL - Any grade 8 boys who want to play basketball are invited to open gym/tryouts next Monday and Wednesday. Come show us what you got! Wear proper clothing and shoes.

INTERNATIONAL CLUB - will be meeting **today during Outside Lunch**. If you're interested in planning fun events, or just hanging out with great people, come join us in Room 156!

INTRAMURALS - A *MASSIVE* congratulations to Mr. Ingelman's mighty Division 11 squad for their victory in yesterday's Intramural Championship! In a dramatic showdown of Giant Ball Volleyball—yes, the sport where the ball is roughly the size of a small planet—Division 11 showed heart, hustle, and teamwork so good it could be turned into a motivational poster.

They bumped, set, and *launched themselves into glory*, proving once and for all that when faced with a comically oversized ball, they are *unbeatable*.

Well done, Division 11! Enjoy the victory!
