## MORNING ANNOUNCEMENTS

Friday February 13

### **Lunar New Year**

Guess what? Lunar New Year is coming — and we're celebrating it **school-wide!** This is your chance to learn cool facts, join the fun, and show what you know!

We'll kick things off with a **practice Kahoot on February 19** — a warm-up round so you can test your knowledge and get a feel for the questions. Then on **February 20**, it's game time — the **Official Lunar New Year Kahoot Competition!**

Who will come out on top?

Join in, play with your classmates, cheer each other on, and make this celebration exciting, loud, and full of energy! We want everyone to participate and have an awesome time together.

Let's welcome the New Year with **laughs, learning, and lots of spirit!**
