

# HILLCREST

## MORNING ANNOUNCEMENTS

Tuesday February 17

### **Coast Salish Style Art**

Calling all artists! Come to the LLC today at lunch for an opportunity to draw some Coast Salish inspired art designs. Space is limited.

**Math Lab** Tuesday is here! Bring your math questions or homework and drop by the LLC today during outside lunch time. Let's Math together.

### **Grade 6 Basketball**

Important message for all grade 6 basketball players: If you wish to attend our jamboree at Banting Middle, you must meet in Ms. Parsons room 164 TODAY, right after the outside lunch bell. This is a mandatory meeting for all players who wish to participate.

### **HLC**

Don't forget to attend an HLC meeting this week either Wednesday after school or Thursday before school.

**Lunar New Year** is almost here! This year is the Year of the Horse, a symbol of energy, independence, and spirit.

A special shout-out to our Grade 6 classes—since many of you were born in 2014, this is your zodiac year! Let's gallop into this new year with kindness and hard work.

Fun Fact: You're in good company! A famous person born in the Year of the Horse is Emma Watson (Hermione Granger)!

Wishing everyone a year filled with health, happiness, and good fortune!
