Wednesday February 18

### **Grade 6 Basketball**

Today's match-up for grade 6 basketball is Team 1 VS Team 5 and Team 2 VS Team 6. That is teams 1, 5, 2, and 6 playing today at lunch. If you have your permission forms for the Jamboree, please drop them off at the gym.

### **HLC**

A reminder that you need to attend an HLC meeting this week either today after school or tomorrow morning in the LLC.

### **Photography Passion Project**

If you are in the Photography Passion Project tomorrow, please check on Microsoft Teams. Mr. Holbrook has created a Team for you, and he has shared important information about supplies you should bring to the first session. Please see Mr. Holbrook if you have questions.

### **Ramadan**

The Hillcrest International Club would like to acknowledge that many in our school community are observing Ramadan. Ramadan is a special month for Muslims when they fast from sunrise to sunset and focus on kindness, patience, and helping others. We wish everyone observing a happy and peaceful Ramadan.

### **Lunar New Year**

Today is the first official day of the Lunar New Year!

You'll see plenty of red around—it's the colour of luck and energy meant to scare away bad vibes.

Two fun facts:

**No Cleaning:** Put down the broom! Sweeping today is thought to wash away your new year's luck.

**Lucky Envelopes:** Many people exchange red envelopes today to share wealth and protection.

Keep that Year of the Horse energy high! Let's make it a legendary year.
