Are you someone who loves sharing ideas? Curious about public speaking? Interested in creating powerful presentations—or hoping to build the confidence to try? Then Hillcrest has something exciting for *you*!

We're launching **Hillcrest's Official TED-Ed Student Club**!

TED-Ed clubs are all about exploring big ideas, developing your voice, and creating talks worth sharing—just like the real TED Talks you see online. You'll get to collaborate with like-minded peers, learn how to communicate your ideas clearly, and maybe even create your very own TED-style talk!

This term, we'll be running a few **introductory meetings** to get things started, with the full club officially kicking off in **September**.

If you're currently in **Grade 6 or 7** and want to be part of something inspiring, creative, and fun, come sign up in **Room 167** during **Nut Break tomorrow with Ms. Bruun**
