

# HILLCREST ANNOUNCEMENTS

Tuesday May 19

## **Riverview Park Sports Day**

Any former Riverview Park students interested in helping out with their sports day meet in the multipurpose room today at 12:04.

## **Math Lab**

Tuesday is Math Lab day! Bring your math questions and come down during outside lunch to the library.

## **Hillcrest has Talent**

If you signed up for the Tuesday auditions, please make your way to the music room after the outside bell.

## **Eid al\_Adha Bake Sale** (pronounced eed al-OD-ha)

As many of you may know, Eid al-Adha (pronounced eed al-OD-ha) is an important holiday celebrated by Muslims around the world. Eid al-Adha, also known as Eid (EED) is called the Festival of Sacrifice. It is a time for prayer, generosity, kindness, and helping people in need.

During Eid, families and communities come together to celebrate, share meals, and give to charity. One of the most important values of Eid al-Adha is showing compassion and supporting others, especially those who may be struggling.

To recognize this special holiday and spread kindness in our school community, we will be holding a Baklava Fundraiser (pronounced BAHK-lah-vah) during lunch on May 21. All proceeds will go toward supporting refugees in need here in Canada.

## **Junior Band Day**

A reminder to all Junior band students that tomorrow is Junior band day. We will be leaving by bus after the outside lunch bell. You will head to the drama stage room for attendance before we load the buses. You'll need a white shirt, black pants, your instrument, and sheet music.

## **HLC Meeting**

There is an HLC meeting this week. Please attend either tomorrow after school or Thursday before school in the learning commons.
