Eid Baklava Sale

Today is the day of the Eid Baklava Fundraiser! Baklava is a delicious dessert made with crispy layers of pastry, nuts, butter, and sweet syrup. It's a popular treat enjoyed during celebrations like Eid in many cultures around the world.

Come to Mr. Ross's outside door, near the portables, beside the grass field at lunch today! Prices are 1 piece for \$3 and 2 pieces for \$5.

All the money we raise will go toward helping refugees in need in Canada, so your support really makes a difference!

Come check it out and enjoy a tasty treat with your friends.
