

# Poinsettias

The PAC is offering poinsettias from Windsor Greenhouses in Abbotsford that will arrive at the start of the holiday season. We are offering two pot sizes (six and ten inch) in a variety of colours. The six inch pot contains one plant and is wrapped in coloured foil with a plastic sleeve. The ten inch pot contains three plants, comes with a pot cover and a plastic sleeve.

These are beautiful, healthy plants that should provide colour in your home well into the New Year. If you have an office or business to decorate please consider purchasing your plants from the PAC this year.

Orders are due on **Thursday, November 24** to the office and the plants will be delivered to the school on **Thursday, December 1**. Please make sure you make arrangements to pick up your poinsettias at the end of school that day or make prior arrangements if that is not possible.

**Please detach the bottom portion and return with payment. Cheques (preferred to cash) should be payable to Hillcrest Middle School PAC. Please contact Catherine Hubbs at 604.949.1303 or [clhubbs@shaw.ca](mailto:clhubbs@shaw.ca) if you have any questions.**
