Reminder that today there will be a spirit squad meeting in the Dramus room at lunch. Bring your planner and something to write with.

Habit #3 Put First Things First
Everything that makes us feel uncomfortable is in the courage zone. In this territory waits uncertainty, pressure, change and the possibility of failure. But it's also the place to go for opportunity and the only place in which you will ever reach your full potential. You never reach it by hanging out in your comfort zone, that is for sure.

Photo retakes are on Tuesday next week, the first day back after the long weekend. Pictures are taken in front of a green screen so that the background can be chosen later. Be sure not to wear green on Tuesday if you want your picture retaken.
