<input checked="" type="checkbox"/> Welcome	Welcome to Ms Doucet who is an SEA practicum student working with us until the 13th of December.	11
<input checked="" type="checkbox"/> Garbage	Garbage seems to be our biggest issue right now. It is so important for each person to look after their own garbage whether you are indoors or outdoors. It is a privilege to have access to most areas of the building and grounds but if the problem continues we may have to look at ways of supporting you by restricting areas. Our custodian Mr. Wesley is responsible for taking out the garbage NOT picking up your garbage. You probably have noticed that Mr. Rietchel and Ms Tambellini when you commit minor misdeeds outside ask you to pick up 10 pieces of garbage to help out. I am encouraging teachers when on supervision to do the same thing.	11
<input checked="" type="checkbox"/> BEARS	Probably related to our garbage issues outside are some recent nightly visits by our local mama bear and her two cubs looking for food. We are providing them a disservice by tempting them with our garbage and as well putting ourselves in harms way. Again let's take the necessary precautions and pick up our garbage BUT if we have a bear sighting after you get onto the grounds-we will proceed indoors via the nearest exterior door in a calm manner. Remember, we need to remain calm and don't panic. Keep away from the bear. Don't approach the bear BUT do not run from the bear either.	11
<input checked="" type="checkbox"/> Weather	Although we seem to be having a bit of sunlight the temperatures have dropped and it is important for everyone to wear the appropriate clothing to and from school- warm boots, winter coats and gloves and hats.	11
<input checked="" type="checkbox"/> Habit #3 Put First Things First	The most important ingredient in any relationship is WHAT YOU ARE. As the philosopher Ralph Waldo Emerson put it: "Who you are speaks so loudly I can't hear what you are saying." If you are struggling in your relationships, you probably don't have to look any further than yourself for the answer.	11
<input checked="" type="checkbox"/> Intramural Soccer at Lunch Today	Grade 6 and 7 soccer players should be in the gym by 12:35. Make sure you are changed and ready to play.	11
