[Scott Creek Triathlon!](#) NEW

Run! Bike! Swim! Do it all and be an IronKid or find a team! Don't have a team? Ms. Trieu is one of the best matchmakers in town. This will be a good warm up for our Triathlon at Hillcrest in June! Come see Ms. Trieu in the MPR at nutbreak today for more information!

 [Library is FULL at lunch today!](#) NEW

Today, we have the training session for our 37 library monitors. Students who signed up to be a library monitor, must be in the library by 12:25 for your training. Seeing that we've surpassed the maximum amount of bodies in the library already, the library will be closed at lunch. Get your library fix at recess!
